

## Leadership Team

The firm's leaders set out to build a different type of law firm driven by collaboration, diversity, respect for life outside of work, and an open-door environment. Their vision has shaped our direction and informs our ongoing trajectory of growth.

Leadership of the firm's day-to-day management and operations is provided by managing partner Robert G. Gerber, along with the chief operating officer and chief financial officer.

### LEADERSHIP TEAM

Robert G. "Bobby" Gerber  
Managing Partner
