### Eric Choi and Tanvi Patel Named to *Crain's* 2021 Notable Rising Stars in Law

Neal Gerber Eisenberg is proud to announce that partners Eric Choi and Tanvi Patel have been selected for *Crain's* 2021 Notable Rising Stars in Law. The list honors 74 attorneys who have been partners for five years or less and have demonstrated a significant impact at their firm and in the community.

Eric Choi represents clients in contract disputes, business torts, fiduciary duty claims, and complex insurance coverage disputes. "Eric is an exceptional trial lawyer and legal advisor," said NGE Managing Partner Bobby Gerber. "Clients greatly appreciate his intelligence, his work ethic and his commitment to going beyond merely 'getting the job done.'" Eric was also recognized by *Crain's* last year with his selection to the 2020 Notable Minorities in Accounting, Consulting & Law.

A registered patent attorney, Tanvi Patel advises clients in various technological areas and all aspects of intellectual property law, including patent and trademark litigation, patent prosecution, and client counseling related to non-infringement and patent enforcement. "Tanvi is respected amongst her peers at the firm and others in the legal industry for her measured and strategic approach to legal matters," remarked Gerber. "Her unique ability to distill and explain complex issues for a wide-ranging audience of corporate lawyers, engineers and business leaders is regularly noted by clients." Tanvi
