Neal Gerber Eisenberg Private Wealth Practice Group and Larry Richman Ranked in *Chambers High Net Worth* 2022

Chambers High Net Worth recently announced its annual rankings for 2022, which include Neal Gerber Eisenberg's Private Wealth practice group and partner Larry Richman. The firm is also pleased that the practice has been distinguished as one of only nine firms recognized in Illinois.

Chambers describes the Private Wealth group as having "a strong reputation for its work in the field." Client feedback noted that Larry is "as good as it gets in trust and estate planning." Additionally, he "is able to distill complex issues down to their core in order to craft a workable answer to each problem. He has the technical expertise to handle the most sophisticated of matters, with the real-world experience to provide practical solutions tailored to a client's needs."

The recent announcement marks the fifth consecutive *Chambers High Net Worth* ranking for the practice as a whole. Before publication of the *High Net Worth Guide* began, Larry and the practice were ranked in *Chambers USA* every year beginning in 2006.
