Neal Gerber Eisenberg Private Wealth Practice Group and Two Attorneys Ranked in Chambers High Net Worth 2021

Chambers High Net Worth recently announced its annual rankings for 2021, which include Neal Gerber Eisenberg's Private Wealth practice group and partners Larry Richman and Sue Goldenberg. The firm is also pleased that the practice has been distinguished as one of only ten firms recognized in Illinois.

Chambers describes the Private Wealth group as having "outstanding expertise and experience with offshore trusts and tax planning." Clients noted that Larry is "a strong lawyer" and "a dedicated professional who takes his clients' businesses personally." Sue was recognized by clients as "a good lawyer, who is very smart."

The recent announcement marks the fourth consecutive Chambers ranking for Sue, as well as for the Chambers High Net Worth ranking for the practice as a whole. Before publication of the High Net Worth Guide began recently, Larry and the practice were ranked in Chambers USA every year beginning in 2006.

Chambers & Partners, one of the world's leading legal directories, conducts independent research that relies on feedback from industry leaders and clients to identify the top attorneys and law firms from around the world. Starting four years ago, Chambers began publishing
