NGE Represents Bixby in Its Series A Funding Round Led by Fitch Ventures

NGE recently served as counsel to Bixby Research and Analytics in a \$5.5 million Series A funding round led by Fitch Ventures, the equity investment arm of Fitch Group. Bixby is the leading provider of private credit data in the syndicated loan market. Fitch Group, owned by Hearst, is a global leader in financial information services with operations in more than 30 countries. The NGE team was led by Corporate & Securities partner Josh Klein with assistance from associates Ivan "A.J." Alston and Nancy Zhao.
