Three Neal Gerber Eisenberg Women Litigators Selected for ABA 100 Women Who Inspire Us

NGE is proud to share that Jill Berkeley, Angela Elbert and Tonya Newman were recently selected among 100 Women Who Inspire Us at the American Bar Association 2019 Women in Litigation conference, which took place from November 13–15 in Chicago. The list recognizes women leaders for their success in the courtroom, in the judiciary, and in the profession. The conference is part of the ABA Section of Litigation's year-long celebration of the 100th anniversary of the passage of the 19th Amendment, which guarantees and protects women's right to vote.

The three NGE recipients are litigators in the Neal Gerber Eisenberg Insurance Policyholder practice group. Angela and Tonya are both Partners, with Angela serving as current chair of the group. Jill is Senior Counsel and a former chair of the group. They join other distinguished female leaders in the law on the list, including U.S. Supreme Court Justice Ruth Bader Ginsburg.
