Amanda Wolfman Discusses Her Career Transition and Her Advocacy for DEI in the Legal Field with *Above the Law's* The Jabot Podcast

Amanda "Mandi" Wolfman, counsel in the Litigation & Disputes practice group, was a guest on *Above the Law's* The Jabot Podcast where she discusses her remarkable career transition from social work to law and her advocacy for diversity, equity, and inclusion in the legal field. The podcast delves into Amanda's reflections on her career highs and lows, highlighting the satisfaction derived from solving clients' problems. Key topics covered include Amanda's journey through job transitions, the future of diversity in law, the importance of a deep commitment to diversity, and the need for active participation in promoting progress in this area. Additionally, Amanda shares highlights from her successful legal career, including significant trials won and the positive differences made for clients.
