Michael Gray Joins *Lab Rats to Unicorns* Podcast for Live Taping

Michael Gray, leader of the firm's Private Equity, Venture Capital & Growth Companies practice, joined Portal Innovations Founder & CEO John Flavin, Jumpstart Nova Founder & Managing Partner Marcus Whitney, and Anna Haghgoosie of Valtruis for a live taping of the Lab Rats to Unicorns podcast in partnership with Marcus' podcast Health:Further. The podcast taping was attended by The Aspen Institute's Health Care Innovation Fellows who were in Chicago for their first reunion. The podcast discusses the macroeconomic environment entrepreneurs are currently facing.

The firm sponsored the podcast episode, which is now available on Spotify, Apple Podcasts, and all podcast platforms.
